presents

London, England & Paris, France Experience
Monday, July 20, 2020 – Wednesday, July 29, 2020

This vacation itinerary allows you to experience two distinctly different European Capital cities and their respective charms. Often referred to as "The City of Lights." Paris is an energetic, cosmopolitan capital city that somehow maintains a provincial ambience in some of its loveliest neighborhoods. In Paris one can discover the Moulin Rouge, neighborhood, cafes, fashion, incredible art collections – and food markets playing host to daily shoppers and local vendors selling everything from oysters to Camembert cheese. As the capital city of England and the United Kingdom, London oozes culture, cosmopolitanism and fascinating history. Home to some of the world's best museums, a fantastic theatre scene, and beautiful city parks – some of history's best characters called London home – including Charlie Chaplin, Alfred Hitchcock, Queen Elizabeth I and Virginia Woolf to name a few
